Power point presentation on Huffman Leos, Bus stop refurbishment

Huffman Lions club has several community projects in the town.

Leo Club President Aaron explained what they did and the pictures on the power point, their Leos club rebuilt a bus stop on 3rd street in Huffman for the kids. This was completed over the summer.

They reroofed, replaced the siding, removed the rust and painted. They received a Spot Light patch for this project. Huffman Leos do a lot during the year with the Huffman Lions Club. When Lion Christine talked to the Huffman Leos about the Christmas shopping trip for the Light House for the Blind Clients, They voted to present a check to the District Governor from the Leos Club; donate \$200 to the Shopping trip for the blind. Huffman Lions Club is very proud of their Leos Club, when anything is needed they step up and help.

DISTRICT GOVERNOR'S COMMENTS: Lion Mark Roth introduced DG Chuck Martin,

A member of the Cy-Fair Lions Club.

Proud of the District Clubs for all the gifts and toy collected tonight, the back of Lion Lynn and Ken's car if full. Shopping trip at Deerbrook Mall, this is very impressive event to watch as the clients explain to the Leos what they want to purchase and the Leos help and guide the Blind Clients around the Mall. It's a wonderful things to watch. It really make you understand what we do and the good we do.

The Walker County LC charter night is coming and he wishes as many as possible can attend, please do. Mid winter conference, they are working hard to make this a very enjoyable conference with a lot of good information.

District Contest, 7 clubs are participating and they need more clubs to turn in their forms. If you participate in this it will be fun and make your club more involved. October was membership month on the Contest I hope that your club worked hard at getting new members.

What are you issues with not turning in your club contest forms in, what are the issues so we can get those issues solved. There are issues with the website receiving forms so please make sure that your forms are received so you can be counted. Lion Gloria wants eye glasses collection to be added to the Club Contest form it has been on previous contest and we should be getting points for this club activity.

Several clubs in the District still have not paid their 100% to the Texas Eye Bank and Texas Lions Camp. Please send your monies in so that the budgets and bills can be made. District 2-S2 has been 100% to the Texas Lions Camp for over 20 years and we will continue this tradition. Please make whatever arrangement you need to get your monies in.

Have a Merry Christmas and Happy New Year.

Next meeting will be: January 2010

The meeting adjourned at: 8:00 pm
