

# **Do You Have a Feel Something Is Missing In Your Life, Or a Need to Give Something Back To Your Community?**

## ***We are Looking For Some Great People!***

As a participating Lion member, you will be a part of 1.4 million members worldwide, banded together to accomplish things they cannot do alone.

The Rewards, Besides Making New Friends, are in direct proportion to the effort expended. This will allow you to receive self satisfaction and pleasure from serving others in your community and helping to make it a better place.

As an active, participating member of a Lions Club, you will be involved in fundraisers, which will help support projects for needy or unfortunate people in your community, as well as the following State and International Organized Projects.

**Lions Club International Foundation** Providing funds for disaster relief, construction of hospitals, clinics, schools, and other humanitarian projects that are beyond the means of the local Lions Club and community.

**Lions World Services for the Blind** An adult rehabilitation center to provide functional independence for the visually impaired.

**Sight Conservation** Assists local clubs in providing eyeglasses for needy children. Handles collection of used eyeglasses for recycling.

**Leader Dogs for the Blind** Uniting the leader dogs with the blind and providing their training at NO cost to the blind person through Leader Dogs for the Blind in Rochester, Michigan.

**Hearing and Speech Action** Aids in renovation of used hearing aids for underprivileged children.

**Texas Lions Foundation** Providing grants for Humanitarian Services and Disaster Relief throughout the State of Texas.

**Lions Eye Bank of Texas** Associated with Baylor College of Medicine at The Methodist Hospital, with a branch office in Corpus Christi. The Eye Bank was established in 1953.

**The Light House of Houston** Providing technical, computer, vocational, and mobility training, as well as job placement services. Provides Adult day care and recreational opportunities. Christmas shopping trip, assisting the blind. Annual career days program for visually impaired H.S. services.

**Lions Quest Programs** Professional development workshops and programs for young people including:

- Drug and violence prevention.
- Life skills
- Character education
- Service – Learning and citizenship
- School climate

**Youth Exchange** Provides opportunities for students to live with families in foreign countries, and Lion's families to host students from foreign countries. This meets one of our objectives; To Create and Foster a Spirit of Understanding Among Peoples of the World.

**Texas Lions Camp for Crippled Children** Provides summer camp for physically handicapped children at no cost to them or their parents. The camp also has 2 sessions dedicated to insulin dependent diabetic children aimed at education and helping them to become self-sufficient.

**Campers Transportation** Providing buses to transport the handicapped campers to Kerrville at no cost to the camper or their family.

**Diabetic Day Camp** Supporting summer camp day programs for diabetic children and their siblings. The American Diabetes Associations – Camp Rainbow, is held in north Houston.

**Outstanding Youth Program and Drug Awareness Contest** Contest held locally up through state level for drug and diabetic awareness. Winners receive scholarships.

**McGruff the Crime Dog** McGruff program for school and hospital visits.

**Juvenile Diabetic Awareness** Participating in a State wide educational awareness program, aimed at teachers and nurses for area school districts for the fastest growing juvenile disease.

**You are invited to attend a local Lions Club meeting to see if you help be a part of making a difference.**  
Please contact one of the people on the back to answer your questions or get you involved.
