KARL'S KAPERS

Are you flying?

Greetings Lions,
Wow, been a busy month..
I have traveled to Hobby,
Royal Oaks, Montgomery,
Magnolia, Kingwood,
Aldine/Spring, Millennium,
Montgomery Centennial,

Tomball, And Conroe Noon... I attended Houston Ladies Hats and High tea, Conroe Noon Dinner dance and auction, 2 mission trip organizational meetings, numerous conference calls, had numerous lunch dates with Presidents of several clubs, and various other District officials.

I am looking forward to the Bob Dowden Dinner, our second Cabinet meeting, Willis sausage making, numerous club visitations, and 2 mission trips. Every year my wife, Lion Jane (a RN) and I travel to Belize to work on Medical mission trips. This year we will go to Belize and Fiji. When I see what our used eye glasses do, I feel humbled, and blessed. Can you imagine,... going into a third world country, knowing that your life, your standard of living is far better, yet they are praying for you, not themselves, for your safety, and well being. People that are grateful for whatever you are able to do for them. We go on these trips to help surgeons, and to help dispense eye glasses. Yes, the eye glasses that you bring to the PSC meetings, that Conroe Noon sorts, cleans, adjusts, reads, bags and tags. Those glasses... that work ... that you do,... that helps countless people worldwide.... one at a time.

I want to ask all SECRETARIES... please please ... please... make sure you are updating your Clubs Information at least monthly... I have started making "pop in" visits to clubs... nope, no advance warning , just showing up. I drove an hour today... one way... only to be told Lions don't meet today.. they are 2nd and 4th Tuesdays.... yet LCI shows every Tuesday... last year's directory shows every Tuesday... please make sure you update your clubs activities.. , please make sure you enter in all new members, with valid email addresses... check the

email addresses you have.. we have almost 600 that are invalid... .. you really are the key to being able to monitor our District's health.

I have heard (through the grapevine) that several club gavels have gone missing. I feel confident that they will show up if we all get together.. you know, like at the PSC meeting in November. Please plan to attend... and enjoy the fun, and informative meeting!

Finally, can you believe.. 1/4 of my term is over, gone, finished, past, un retrievable, can't be done over... its flying... are you?

Blessings to All for all they do,

DG Karl 2-S2

From FIRST VICE DISTRICT GOVERNOR TONY AUSTIN

As you have probably heard our organization is dramatically revising our public image and approach to providing service.

We expect that this will allow us to serve more people more efficiently and will make a great impact on our communities. Of course, we also hope that will encourage more of our friends and neighbors to join us as Lions.

The cornerstones of the new approach are **"The Journey"** and our 5 Focus Areas:

DIABETES - YOUTH - VISION- ENVIRONMENT PAEDIATRIC CANCER

The first of these is Diabetes which is timely since it is World Diabetes Awareness Day on Wednesday November 14th, and we have an ideas sheet to give you some suggestions that may be appropriate in your community. Some examples:

- Donate a diabetes magazine subscription or diabetes-related books to your local library.
- Sponsor a healthy cooking demonstration for people with diabetes and pre-diabetes.

Please take a look at the sheet here <http://www.lions2s2.org/pdf/gst1A.pdf>. Let me

know if you try any of these and please make sure that your projects are recorded in mylci by your President or Secretary!!

Over the next few months I will cover the other focus areas but for a short (2 min) video overview of "The Journey" please click here -

We have finished our first quarter of the year and have achieved an enormous amount under the guidance of DG Karl and our District leadership team. Let us keep up the pace and above all, ENJOY OURSELVES.

Best wishes ... 1st VDG Tony Austin

Lighthouse of Houston

On Saturday, October 6th, I attended the Lighthouse of Houston's 40th Annual Awards Brunch. This brunch honors directors, employees, students & volunteers. I was very honored to accept on our behalf, a Special Recognition award given to the Lions of District 2-S2. They truly appreciated our work and involvement this past year. Thank you to all of you Lions who gave of yourself and your time, to join in the fun at The Lighthouse!

Lions....Tigers....and Bears.....OH MY!!! Follow the trail of costumes to The Lighthouse on Wednesday, October 31st! We will once again be assisting with the multi-care clients HALLOWEEN Party. Great fun was had last year by all that attended! We had a witch, Care Bear, wizard, and a handy man show up! Costumes not required – come as a Lion in your vest, ready to have a good time! The party will be held approximately from 9:30 – 11:30am. Please call or e-mail me if you would like to join us that morning. I look forward to seeing my fellow Lions there!
