MARCH 2024

The time for change is here, Lions and Leos! This Earth Day on April 22, 2024, let's stand together to protect our beautiful planet. There's no better time to plan an environmental service project and invite a prospective Lion to join you in service. Let's capture all the enthusiasm around this important day to maximize our service impact and grow our club membership! Find resources to get started: <https://bit.ly/3SzOU7>
