Report of the Texas Lions State Hall of Fame

With the passing of PDG Betty Ezell, our 2024 inductee, the chairmanship of this committee falls back to me as the most recent surviving Lion in our District.

Our District will be eligible to nominate another inductee to be inducted into the Texas Lions Hall of Fame at the 2027 State Convention to be held in District 2-S 1. Please begin now to look for that special Lion to represent our great District and be inducted in 2027.
