Report of the Texas Lions Foundation

Third Cabinet meeting

This fiscal year to date, the Texas Lions Foundation awarded \$ 57,000 to clubs in MD-2 in Emergency Grants, including Emergency Grants for three clubs in our District totaling \$ 9,000. We have also awarded \$ 16,000 in Humanitarian Grant during this time, including one for \$ 3,000 for the Houston Lady Lions Club.

I am working on getting 100 % banner patches for clubs that have earned them already this Lions year.

If any club needs to submit either an Emergency Grant (which must be submitted no later than 10 days after the natural disaster) or a Humanitarian Grant (which must be submitted no later than 45 days prior to the next Texas Lions Foundation Board meeting held in conjunction with the Council of Governors meeting), please get in touch with me so I can work with your club in completing the form.

I would love to visit your club to present the great ways the Texas Lions Foundation can help your club.
