

## **District 2S2 Leo Report**

**January 13<sup>th</sup>, 2024**

### **Cabinet Meeting**

Now that the holidays are over, clubs are now concentrating on getting back to work.

There has been an increase in reporting. That's really nice to see. We still have to work on a few more.

There has only been a slight increase in membership.

Lion Patti Dugan will be working with Morehead Jr. High to start a new club and with the high school to get them meeting again

Lion Sheryl Birch of the Katy Community Club is working hard to start a club in the Elyson area. She has already been back to the school to talk to more councilors.

We are still waiting on the administration to approve the application to have a club in Tompkins High school.

Conroe Noon successfully converted their Leo Club to a community club and are now active.

The Royal Oaks Lions Club is hosting an Open House in March to get their Leo Club up and running.

I feel the last few months have gone a little better. I am still hoping to get an email response from some clubs as yet.

Listed on the next 3 pages are the individual clubs.

Respectfully submitted,

Lion Nancy Chesbro

District 2S2 Leo Chair

**Alief Early College High School**

Sponsored by Houston Fil-Am

School Based Club

No members listed-No officers reported
