

## **Camp Director report on District and Lions Camp news:**

Oct 4, 2025 The Annual "District Wide" Bob Dowden Fundraiser for Texas Lions Camp, success with 121+ Guests registered, 12 Sponsorships. This was more attendance and more sponsorships than any recent year's participation included many new Lions. We could have registered more guests if the venue had larger available space.

Final Dollar to be announced on Big Check at Dec PSC, but estimate is approx 40K.

Oct 21, 2025 is new date from Lions Camp for Open Registration for applications from Campers and Staff, (past years' registration was first of the new year).

Please help spread the word to Lions and Clubs about early registration.

Next year Bob Dowden is projected to be Fall event again with date and location pending (possibly 3rd Sat of October), we are looking for a venue to accommodate up to 150 guests as we had to close registration this year due to space constraints. With increase in Lions membership and new clubs, we see an increase in attendance.

Camp Directors K1 and K2 with District BookKeeper Heather and the entire Bob Team wish to thank all Lions for supporting the Bob Dowden with Time, Talents and Treasures, helping assure that Texas Lions Camp will continue its mission to serve Texas Children with disabilities, in the years to come !
