

3rd District 2S2 Cabinet meeting

District Leo Report 2024-2025

January 11th, 2025

We have held 2 successful District Leo forums. We still had 6 clubs represented.

We are still working with Lion Nancy Smith, the state Leo coordinator. She has been very helpful and has attended both forums.

The next state Leo meeting is February 8th in Kerrville at the YO Hotel at 9 a.m. This meeting is held at the same time as the State Governors council.

We are hoping to hold our 3rd District Leo forum on February 17th. We are still looking for a club to sponsor that forum.

This year we have received a Leo Grant. The grant is for \$1500 and we have to contribute \$500 for a total of \$2000. We have contacted the Texas Lions Camp in Kerrville, and they asked us to supply craft supplies to make friendship bracelets for the campers. We will be sorting and comprising 1500 craft bags at the Mid-Winter Conference on January 25, 2025. This will be the first part of the project. We will carry out the 2nd part of the project at the camp in June and help campers actually make the bracelets. Lion Stephen King is making an exception for us and allowing us to attend an actual day at the camp.

We are now working with 2 Lions clubs to form 2 Leo clubs this year. Both of these clubs will be specialty Leo clubs in our district. The Lions clubs are working to do a member drive in their area and both will be community clubs.

I am amazed at the number of Lions clubs who have not even discussed sponsoring a Leo club. Especially a few of the larger ones. We hope to change that this year and at least put the discussion on the floor.

Most of our clubs are getting more active. We still have several clubs that are not reporting and have very little or no response from the advisors. We are still working to correct this situation. There are clubs that are inactive but still listed on LCI. We are working with Lion Nancy Smith to get that corrected as well.

The attached list is a short summary of the clubs. I hope to be able to work with zone chairs and club presidents to get more clubs back into the reporting part of the club responsibility.

Respectfully submitted

Lion Nancy Chesbro

District 2S2 Leo Chair

Anahuac High School	Very Active but not reporting activities
Barbers Hill High School	Still listed but no members or activities
Caney Creek High School	Active especially during Christmas doing an Angel Tree and then wrapping the gifts to distribute
College Park,	They have been active and working with the Woodlands Lions club on the Wildflower Festival and other activities. They have not been reporting
Community Claws	(Liberty) It's still listed but no members or activities
Conroe High School	They have been active and working with Conroe Noon Lions but there is no reports showing
Crosby	Still listed but no members showing.
Houston Royal Oaks	Shows 39 members and we are working with their Lions club but show no reporting
Huffman	Held a pajama Pancakes with Santa. They also served food at the Community Center. They have a food drive lined up for their local pantry. Not reporting
Lake Creek High School	Actively working with Montgomery Lake Conroe Centennial Lions club. Not reporting
Montgomery High School	Held a raffle at the Bingo. For every 5 items brought they got a drawing ticket. They donated 50 turkeys and worked a food drive for their local pantry. They held a bake sale at the Lions Club Chili Cook off. They also worked the Bingo concessions every month. This report is from an advisor. There is no reports on line.
Westside community Leos	They are still working with the community gardens in Brookshire. They held a Sing a Long at Christmas for the residents of a senior living facility
Tompkins High School	They are working to start a community garden close to the school. They are working with the city of Katy to do electronic drive. Bad weather has put that off a little. There is still no reporting.
Unity for Youth	They are showing 15 members but are not responding or reporting
Will High School	This is still listed but has no members.
