

District 2S2 Zone Chair Report

Date: 01/11/2025

Zone: 2

Reporting Period: October 20, 2024 – Jan 11, 2025

Executive Summary

This report provides a comprehensive overview of the activities, accomplishments, and challenges faced by Zone 2 during the third quarter. It highlights key initiatives, club visits, member engagement, and future plans.

Major Accomplishments

- **Club Visits:** Conducted 2 club visits to assess their activities, membership, and overall health. And also inducted two new members at the Montgomery Lions Club. I also remind them of our Governors Goal for the district.
- **Membership Growth:** Based on the latest club health assessment report we have a net growth of 12. 20%, bringing the total membership in zone 2 to 138.
- **Community Service:** Thanks to Lion Becca who spearheaded the Christmas basket project we were able to distribute 100 plus baskets. Impacting more than 400 lives. Our clubs continue to pack and deliver kids meals for the various schools. Montgomery Chili cook off was a great success. We introduce our club to the jersey village community by way of Trunk or treat activity in October. Our clubs continue vision screening and collected glass for recycling purposes.

Challenges and Opportunities

- We are still trying to reach a number of clubs in the zone but have not been successful. Namely: Cypress centennial and Houston Spring Branch. These clubs need our help and reaching out for suggestion how to get them back in the safe zone. All suggestions are welcome.

Future Plans

Will conduct two zone chair meetings one at the Klein Lions Club on March 11th and the other at Prairie View Lions Club.

Conclusion

This report summarizes the significant achievements, challenges, and future plans of Zone 1 during the 3rd quarter. By addressing the identified challenges and capitalizing on emerging opportunities, we are confident in our ability to continue making a positive impact on our communities.

Stedman Douglas Zone Chair
