

District 2S2 Leo Report

June 8th, 2024

Cabinet Meeting

Since the January cabinet meeting, Tompkins High School Leos has been chartered and going strong. This club is working with the Westside Community Club for the summer to stay active for joint projects

Montgomery Lake Conroe Lions, Montgomery Lions and Cut and Shoot Lions are still working on adding another Leo club in their areas and schools.

Also, since the launch of the new LCI website there hasn't been much action in reporting. When I look up the officers for the Leo clubs for 2024/2025 it says "pending."

We have now launched the start of District 2S2's Leo Forum. We held our first zoom meeting in May. The second zoom meeting will be held on June 13th. We have positive response from the Lions clubs and the Leo advisors. We have been working with Lion Nancy Smith (State Leo Director) in organizing this forum.

She has sent state regulations and everything we need to get started. Our first In-Person forum will be held in Montgomery and hosted by the Montgomery Lions and Leos.

This will be a plus for our district Leos. Logistically we are unable to attend the state Leo forums. This group was formed to share ideas, do joint projects and make more life-long friends.

Attached are notes on each club

Respectfully submitted

Lion Nancy Chesbro

District 2S2 Leo Chair

Alief Early College High School

Sponsored by Houston Fil-Am

School Based Club

No members listed-No officers reported

Anuhauc High School

Sponsored by Anahuac Lions

School based club

73 Members listed. No new members No officers listed
