

It is with great pleasure I get to amend my Leo report.

Lion Patti Dugan of the Cut and Shoot Lions has made an appointment for Friday morning at Morehead Junior High School with the case worker to start a new Leo Club. She has also made an appointment with the existing Caney High School for Monday after school to hold their first meeting of the school year. They now have an advisor.

Way to go Lion Patti!

This gives us the possibility of 2 new Leo clubs. One in Morehead Junior High and one in the Elyson area. We are working hard on both.

Gladly amended
