

ZONE REPORT (E-1) – LION VALERIE JAMES

Houston lady lions: special thanks to DG Neil and guiding lion Phyllis. Thanks to you two I have been spending over 5 hours on the phone with President Thelma:

- 1 locating and instructing how to take the President's training.
2. adding their service projects into LCI.
3. Tomorrow I will be helping them add the two new people who joined their Club to the LCI system.

Houston Montrose lions: I have instructed the very intelligent President Celeste:

1. Entering their service into the system 2 months ago and she has just been going strong.
2. I've also been getting Celeste to events that support lionism.

Both lady Lions and the Montrose lions clubs will be eligible for the club excellence award.
